

Dear Friends,

As we approach Divali, request your help to spread the light of hope to the less fortunate amongst us.

We need your support to provide monthly food security kits for 54 terminally ill patients (cancer, kidney failure, etc.) in the slums of Mumbai, in the areas of our Community Centres.

Each kit of 13 items including aata, rice, pulses, oil, sugar, tea, etc. costs around Rs.1000/-.

The quantity is equal to 100 person meals.

This means it suffices for a family of 5 for 10 days.

Donations to RFIT are eligible for 50 % exemption under section 80G the Income Tax Act
